Terms of Reference

1. To plan and conduct physical verification of stores/materials
2. To identify and recommend unserviceable/surplus stores and their disposal
3. To consider cannibalization wherever possible in order to make use of obsolete stores to the extent possible.
4. To salvage useful items even if they were declared to be surplus/obsolete such as steel, metal, pipes, rods, etc. and set aside for future use as there would always be an appreciation in value.
5. Any other relevant issue.
