

NIPER - PHARMA INDUSTRY MEET

Role of Academia in Strengthening of Indian Pharma

Date: **March 24, 2017** | Venue: **NIPER Hyderabad**

INVITATION

NIPER Hyderabad with the support of Department of Pharmaceuticals, Ministry of Chemicals and Fertilizers, Government of India is happy to announce one day **NIPER - Pharma Industry Meet** with a theme on “Role of Academia in Strengthening of Indian Pharma” on 24th March 2017 (Friday) at NIPER Hyderabad, IDPL R&D Campus, Balanagar, Hyderabad, Telanagana.

The objective of the summit is to facilitate the interaction between Academia and Pharmaceutical Industry and to discuss at length the challenges, opportunities and the way forward. The summit will have keynote addresses / invited talks / panel discussions by Policy Makers, Leaders from Pharmaceutical Industry and Academia.

You are cordially invited to attend the summit.

Dr. T. Shekharam
Officer on Special Duty, NIPER Hyderabad.

Dr. S. Chandrasekhar, FASc, FNASc, FNA
Mentor Director, NIPER Hyderabad.

ABOUT THE MEET

Pharmaceutical Industry in India has made significant progress since Independence and achieved leadership position in the global generic market. In recent years, Hyderabad, the capital city of Telangana has emerged as a pharmaceutical hub of India with the city alone accounting for one third of India's total drug production. For further strengthening of the Pharmaceutical Industry in this region, the Telangana Government has initiated establishment of Pharma City with world class infrastructure equipped with excellent facilities such as Integrated Industrial Township, Pharma University, R&D centre and Skill Development Centre among others. Also, several key policy initiatives such as Cluster development & Strengthening of Industry-Academia linkages etc., are being taken by Government of India to promote Pharmaceutical Industry.

Some of the discussion topics during the summit:

- Indian Pharmaceutical Industry: Current Scenario and Future Prospects
- Regulatory and IPR landscape
- Cluster Development
- Skill Development Programmes : Lessons learned and way forward
- Role of Academia to support Pharmaceutical Industry: Gaps and way forward
- Promotion of medium and small scale Industries: Role of Funding Agencies & Academia
- Start Up Industries in Life Sciences : Challenges and way forward

NIPER-HYDERABAD

NIPER-Hyderabad is an "Institute of National Importance" established with proclaimed objectives of becoming a Centre of Excellence for Advanced Learning and Research in Pharmaceutical Sciences & Management. It has been functioning under the aegis of Department of Pharmaceuticals, Ministry of Chemicals & Fertilizers (Govt. of India), as one of the six new NIPERs since 2007, in the premises of erstwhile R&D centre of IDPL, Balanagar, Hyderabad. CSIR Indian Institute of Chemical Technology (IICT), Hyderabad a premier research institute, has been mentoring NIPER, Hyderabad since the inception.

Indian Institute of Chemical Technology (IICT), Hyderabad, a constituent of Council of Scientific & Industrial Research (CSIR), is a premier R & D institute of India. Established in 1944, the institute made significant contributions in the field of Chemical Sciences & Technology. The mission of the institute is to build technical competence and offer R&D services world over in relevant areas of chemicals, biological and engineering sciences.
